Dear Parent/Guardian:

Your child has earned the opportunity to participate in the Cincinnati Youth Collaborative Educational Talent Search program!

Participation in the Educational Talent Search program will provide your son or daughter with additional assistance and preparation needed to successfully complete high school and pursue post secondary education. Students enrolled in this program will benefit from various workshops such as study skills, test taking tips, career planning, financial aid and field trips to colleges and universities & cultural events.

Please see the enclosed flyer for more information about Educational Talent Search activities.

Educational Talent Search is a program funded by the U.S. Department of Education and the Cincinnati Youth Collaborative, so there is no cost to students or their families for these services.

Please sign the enclosed application and have your child return it to their school. Within a few weeks, you will receive a confirmation letter that your child has been accepted into the Educational Talent Search program.
