AMERICORPS PROGRAM

Cincinnati Youth Collaborative

Serve alongside College Now advisors and school-based staff to guide students through college and career exploration and preparation and instill the belief that higher education can become a reality for any student!

CURRENT FULL-TIME OPENINGS

College Guides serve high school students, college students, and adult learners on their postsecondary journeys. Help students research and apply to college and/or trade programs, find scholarships, apply for financial aid, prepare for standardized tests, and support participants in the College Now Mentoring Program. College Guides may also support advising in middle schools.

Career Pathway Coaches primarily serve 9th and 10th grade students in the four Academies of Cleveland. Help students complete career assessments, apply for internships and jobs, as well as provide direct support to 8th graders in the process of choosing their high schools. Career Pathway Coaches may also support advising in high schools.
